

E.I.D.- PARRY (INDIA) LIMITED

Safety, Health and Environmental Policy

We at E.I.D. PARRY (INDIA) LTD., recognize that protection of the environment in and around our factories and maintenance of good health and safety of everyone who work with us are vital to our business. We reaffirm our commitment to Safety, Health and Environment in line with our Group's Values and Beliefs by implementing and maintaining a Safety, Health and Environmental Management System conforming to International Standards. We are committed to continual improvement of our Safety, Health and Environmental performance by:

- Complying with all Safety, Health, Environmental and Legal regulations and other requirements.
- Conserving natural resources and prevention of pollution through recycling, reusing, reducing and adding value.
- Creating and maintaining a conducive workplace environment for all Employees.
- Fostering a culture to prevent incidents of injury / ill health and that accidents are reported, investigated and lessons learnt and shared with Employees.
- Promoting and disseminating Safety, Health and Environmental Consciousness among Employees.
- Promoting dialogue with stakeholders about safety, health and environmental performance.
- Implementing Safety, Health and Environmental Management System.
